

BOY SCOUTS OF AMERICA ★ 100 YEARS OF SCOUTING

CELEBRATING THE ADVENTURE ★ CONTINUING THE JOURNEY

## Old Colony Council Merit Badge University

In celebration of the Centennial Anniversary of Scouting the Old Colony Council will hold it's first council-wide Merit Badge University on March 6, 13, and 27 at our exciting new venue the Southeastern Vocational Technical School in Easton. Forty-seven different merit badges will be offered during the three Saturday sessions including a terrific Flight to Eagle Program for younger scouts. All Boy Scouts registered prior to the February Roundtable are invited to attend.

It is important for each troop to appoint an adult leader as a MBU coordinator for their unit. The Coordinator and the Scoutmaster must attend the January roundtable in your district in order to receive operational details about this exciting event
